

Our New Home

The Delray Beach Housing Authority is building our new, permanent home at 82 Northwest 5th Avenue, Delray Beach, Florida 33444. The new building, to be named the West Settlers Office Building, will house the DBHA Administrative Offices once completed.

In designing the West Settlers Office Building, careful attention has been paid to making its appearance consistent with the historic character of the West Settlers Historic District. The Delray Beach Housing Authority believes that the West Settlers Office Building will contribute to the return of the 5th Avenue Corridor to its once vibrant state, and increase the economic vitality of the West Atlantic Commercial Corridor. Currently, the project is in the permitting and bidding stage. For more information on project status, please contact Nguyen Tran, Development Officer at 561-272-6766. For leasing opportunities, please download our marketing flyer. [Download](#) The Delray Beach Housing Authority is a proud proponent of equal housing opportunity.
